

# THE PUEBLA REPORT

 CrossWorld

Summer 2007 | Volume 8, Issue 1

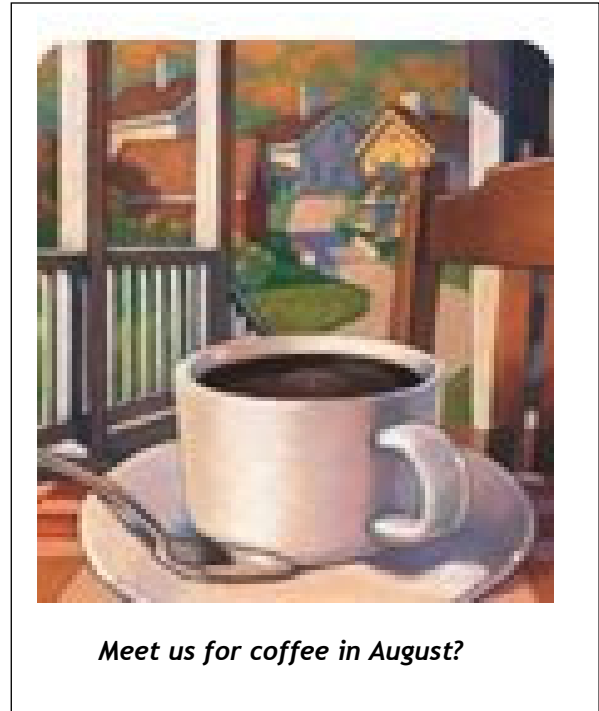

## OH, THE PLACES WE'LL GO THIS SUMMER!

By the time you read this we'll be finishing Pre-Field Orientation with Crossworld near Pottstown (June 24-30). Then we (Tyler too) take off the 30<sup>th</sup> from Philly to Portland, Oregon for the month of July as part of our training. We will be learning some language acquisition tools and basic cultural anthropology techniques. We return to Lancaster August 1 and will be staying at the New Song 'Faith House' until we are commissioned on Sunday, August 19<sup>th</sup>. All are invited but we have no details at this time; Newsong is currently under construction and meeting at LBC. Praise to God for an amazing provision of His resources and talents thru the Body for Danielle and Geoff's wedding on June 9<sup>th</sup>. Beautiful! We continue to praise God thru bittersweet tears. Kara will have moved to her new home by this time. Tyler finished 8<sup>th</sup> grade at Living Word with honors! Many tears were shed as he said goodbyes to his very special, loving classmates and teachers. Packing, sorting, discarding (we moved from our apt. 6/24) and of course yard sale-ing! We had a very successful two day event (6/15-16) that netted over \$1,100. Praise God! We continue to pray for the remainder of our needed support. About \$1,100/month in commitments is needed as well as \$10,000 in set-up fee's. Then we will be approved to actually leave for Mexico. Please continue to pray for additional prayer and financial partners in the coming weeks. Crossworld.org, the website for our sending agency, even has a page for online contributions!

**I will lift up my eyes to the mountains;  
From where shall my help come?  
My help comes from the LORD,  
Who made heaven and earth. Psalm 121:1-2**

## TIME TO SAY SOME GOODBYES

We are hoping to have opportunity to see many of you in early August before the final days of preparation to make the 3,900 mile drive to Puebla. Please don't wait until the last minute to reach us! The best form of contact will be either of our email addresses or Dawn's cell phone.

*Meet us for coffee in August?*

(see below). Please visit our website often and you will be pleasantly surprised in the coming weeks to see a brand new design, thanks to the skilled staff at Elexio. For mail that will arrive before 8/18, use the address below, after that we will have another address which we will provide asap. Please note that packages of ANY type can NOT be sent to us in Mexico as it costs a fortune to pick them up at the post office, plus they will be opened, inspected and often pillaged! FLAT mail is the only type to send; we will provide you with ideas of how to get other things down to us in the future as well. There are short term teams going there from the States every couple of months. We love you all and look forward to seeing how God will use each and every one of you as part of His work in Puebla, Mexico. Thanks for joining us in the journey! Keep praying for our whole family please!
