

Aaron?

Hur?

Is that YOU ???

There is a battle going on and we have been asked to join the troops in Mexico. The battle has been raging since The Garden. Many men and women have given their lives for the war. No one can do it alone.

Moses sent Joshua, by God's command, to fight the Amalekites. Moses held the rod of God in his hand and he went to the top of the hill to intercede for Joshua. When Moses held up his hand, Israel prevailed, but when he let down his hand, Amalek prevailed. Moses' hands were heavy, and they took a stone and put it under him to sit on. They also stood by Moses' side and helped him keep his hands in the air; one on one side, and the other on the other side. Moses' hands were made steady with their help. The result? Joshua and the Lord's army prevailed over the enemy! Moses then built an altar and called it "Jehovah-nissi"...the Lord is our banner. (See Exodus 17)

Who were these people who helped hold up Moses' hands?
What does this have to do with us? With you?

We are carrying the Banner of the Lord to Puebla, Mexico. He is our banner. We are joining the spiritual battle there against the enemy. We can not do this alone. Just as Aaron and Hur came along side Moses, we need people to come along side of us. Just as Moses had need to have both arms raised, we have need of prayer support and financial support. Both are necessary in order to help win the war. We desire to build up young Joshua's of Mexico to defeat the enemy in their own land and beyond. We are sure to get weary. The battle does not end until our Lord returns. We go having the Word of God in our hands, but we are asking you to prayerfully consider how you might join the forces God is raising up in Puebla so there is victory over the enemy. Will you be an Aaron and pray for us regularly (daily or weekly)? Will you be a Hur and give financially on a monthly basis?

Enclosed please find a tax-deductible giving envelope and our prayer card. Would you take some time over this next week and pray about what God would have you do regarding this ministry in Mexico? We'll be in touch soon. May God continue to give peace and grace to your family.

Marching onward,

Keith and Dawn
